- Medicare Card Holders - 40¢

Mission Statement

CityLink Transit is committed to serving our customers by providing safe, courteous, efficient, and affordable public transportation services. In doing so, we will strive to be an enthusiastic team of professionals who take pride in the City of Abilene, CityLink, and the customers we serve.

Holidays/Sundays

Service is not operated on Sundays or on the following holidays: New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas.

Regional Transportation

Chapter 461.001 of the Texas Transportation Code details the significance of the statewide coordination of public transportation. To ensure that the regional transportation needs of our passengers are met, CityLink Transit is proud to partner with the following agencies in our region:

- Greyhound Lines (Abilene, TX)**
 - Serving Abilene via Dallas-El Paso route, and located at 535 Cedar (Route 1 - Downtown Trolley)
 - 325-677-8127
- City and Rural Rides (Coleman, TX)**
 - Serving Brown, Callahan, Coleman, Comanche, Eastland, Erath, Nolan, Runnels, Shackelford, Stephens, and rural Taylor Counties
 - 1-800-710-2277
- Double Mountain Coach (Aspermont, TX)**
 - Serving Fisher, Haskell, Jones, Kent, Knox, Stonewall and Throckmorton Counties
 - 1-800-722-0137
- Spartan Transportation (Levelland, TX)**
 - Serving Mitchell and Scurry Counties
 - 1-800-462-8747

Welcome Aboard!

Introduction

CityLink is the public transit system for the City of Abilene. Buses travel along twelve weekday routes and seven Saturday routes, which are distributed geographically across the city. Fixed route service is provided Monday through Friday between 6:15 a.m. and 6:15 p.m. and from 7:15 a.m. until 6:15 p.m. on Saturday. Normal business hours are Monday through Friday between 8:00 a.m. and 4:00 p.m. CityLink offers an affordable transportation alternative for the citizens of Abilene. It is our goal to provide this service safely, efficiently, courteously and in the most professional manner possible. CityLink is operated by a contract with McDonald Transit Associates, Inc. We welcome your comments and suggestions about our transit system. Please call us at (325) 676-6BUS (6287) if we can be of assistance.

Riding the Bus

If you need help identifying the best route for a trip, stop by the Customer Information Desk in the CityLink passenger waiting area at 1189 S. 2nd Street. Hours of operation for the Customer Information Desk are 6:30 a.m. to 6:00 p.m. Monday through Saturday. If you are unable to stop by our facility, you can get the information you need quickly and easily by calling (325) 676-6BUS (6287), or by accessing our website at www.abilenetx.com/citylink. Our staff will be happy to help you plan your trip. CityLink has a Telecommunications Display Device (TDD) for persons with hearing impairments. Persons must have a TDD machine at the phone they are calling from in order to access our TDD machine for route and schedule information.

How to Read the Schedule

To learn how to read the CityLink bus schedule, please take a moment to review this example. Let's assume that some weekday afternoon you want to leave your place of work in downtown Abilene (from the Station) and take the bus to your home near South 7th and South Leggett. Turn to the system map and find the route(s) that travel nearest where you work or live. This trip is best served by the Route 9 - Westgate. The schedule includes a map of the route. The map shows the names of the streets traveled along the route as well as the direction the bus travels on these streets. In this example, you would board the bus at the CityLink Station and get off the bus at the corner of South 7th and South Leggett. The timetable is divided by the direction of travel for your trip. Since you wish to leave the downtown area, use the section at the bottom left marked westbound from the CityLink Station. Reading across the top row, you will find the names of major intersections or facilities along the route which correspond to the major stops on the schedule map. Reading down the column beneath CityLink Station, choose the most convenient departure time, perhaps 5:05 p.m. Now reading across from 5:05 p.m., you find the times when the bus stops at the various major stops along the route. The time listed for your preferred stop is 5:25 p.m., your time of arrival.

The simple rule for timetables is to read down for departure times and across for arrival times. In some cases, when you are not getting on or off the bus at a major stop, you will need to add or subtract a few minutes to the listed time closest to the intersection you will board or get off the bus. Schedules contain the names and locations of points of interest near each route including shopping centers, parks, recreation centers, schools, universities and hospitals. Additional route and schedule information can be obtained by calling our staff at (325) 676-6BUS (6287).

What is a Route Deviation?

Only one CityLink route - Route 8 - S. 14th/S. Clack - makes a deviation from the regular route upon request. This deviation is illustrated on the map with a broken line. For service to this area, call the CityLink office at (325) 676-6BUS (6287) at least 10 minutes in advance or ask the bus driver to make the deviation as you board the bus.

Getting On and Off the Bus

Arrive at the bus stop at least 5 minutes early. Designated stops are identified by bus stop signs. These are the preferred boarding points. Make sure the vehicle comes to a complete stop and allow exiting passengers to leave the bus. Before boarding the bus, it is important to identify the route number and name to ensure it is going to the proper destination. The destination signs are located above the windshield and by the passenger doors of the bus. If in doubt, ask the driver. Have your pass or the exact change for your fare ready before the bus arrives. Deposit the exact change in the farebox or swipe pass card through card reader on farebox before you take a seat. Bus drivers do not carry change. If you do not have correct change, you will need to deposit your dollar bill in the dollar slot of the farebox. Ask the driver for a transfer if your destination requires you to ride more than one bus. This transfer is valid for up to one hour after the driver issues it. Give the transfer to the driver of the second bus you board. When the bus is approximately a block away from your stop, pull the signal cord located above the window or verbally inform the driver. Remain seated until the bus comes to a complete stop. Once you exit the bus, it is recommended that you wait until the bus has completely pulled away before attempting to cross the street. Do not attempt to cross in front of or behind a standing vehicle.

Lost and Found

Please always check your seat before leaving the bus. CityLink is not responsible for lost articles. However, if you lose something, call (325) 676-6BUS (6287) between 6:30 a.m. and 6:00 p.m. Every attempt will be made to recover your lost item. Lost and found items may be picked up at the CityLink Station at 1189 S. 2nd Street. Items will be kept up to 30 days, so please pick up your items within that time.

Accessible Service for Persons with Disabilities

All CityLink buses are accessible to persons in wheelchairs, three-wheeled scooters and other similar mobility devices. To accommodate the needs of persons with disabilities (especially those with vision impairments), CityLink drivers announce stops at major transfer points, major intersections and destination points and any other stop along the route as requested by passengers. If you have a specific location you would like the driver to announce, please make that request when you board the bus. Should you need assistance transferring from one bus to the other in the CityLink Station, please notify the driver of your needs when you board the bus. The driver will be happy to provide the assistance you request. If you are a person with a disability (especially a vision impairment) who will be boarding the bus at a location where more than one bus will be passing, you may want to call the CityLink office prior to your trip. By notifying the Dispatcher of your boarding location, you can ensure that the driver of the bus you want to board will be watching at your stop.
