

Adoption of the 2009 International Codes

**The City of Abilene has adopted the 2009 International Building, Residential, Existing Building, Plumbing, Mechanical and Fuel Gas Codes. The effective date of enforcement is:
April 6, 2011.**

Work permitted on or before **April 5, 2011** will be inspected under the current codes (2003 versions). Plans submitted on or before **April 5, 2011** will be reviewed under the current codes (2003 versions) and the permitted work will be inspected in accordance with the 2003 codes.

The energy code remains the **2000 IECC, with the 2002 Supplement**

Copies of the new amendment pamphlets are available for download at no charge by clicking on the link below.
